Elk Hunt

A UNIQUE EXPERIENCE

The Valles Caldera National Preserve is one of New Mexico's premier elk hunting locations and quite possibly the best place in the U.S to harvest a trophy bull. An abundant elk herd occupies the preserve much of the year for breeding, calving and foraging. Our hunts are designed to pay homage to man's oldest relationship with animals by providing for the public a hunting experience that otherwise would be prohibitively expensive.

SOLITUDE BY DESIGN

At the mandatory orientation session, you'll draw for a specific area of the preserve for your hunt. There will be time to scout the preserve before the hunt begins. Prime locations are abundant and we've eliminated the stress of competing with other hunters. You'll share your 3-6,000 acre area with a limited number of hunters.

MULTIPLE OPPORTUNITIES

One of the best habitats and largest elk herds in New Mexico means your hunt will be filled with opportunities. Don't be surprised if you pass up more quality elk than you usually see in other areas.

HIGH SUCCESS RATES

Success rates running at 80 percent and higher in recent years for mature bull hunters indicate a high probability for your hunt to be a rewarding experience.

FAIR AND AFFORDABLE

In order to provide fair and affordable access to this high-quality experience, the Trust is conducting a lottery for hunts and limiting the number of chances an individual can purchase to 20 changes per hunt code.

"We all had a most enjoyable experience hunting on the Valles Caldera National Preserve. We felt honored and privileged to hunt on such a beautiful location in New Mexico, and we hope to return someday. We would strongly recommend the Valles Caldera National Preserve as one of the best elk hunting areas in New Mexico. Thank you for providing us with an opportunity of a lifetime."

How To Apply For The Elk Hunt

The 2006 Valles Caldera National Preserve elk hunt offers some of the best elk hunting in New Mexico. Fees to apply for an access authorization for a preserve hunt are \$25 per chance for bull and either sex hunts. Fees for antlerless hunts are \$15 per chance.

DIRECT ENTRIES

You'll enter our lottery directly and if you're selected, you simply contact the NM Department of Game and Fish. They will issue you a permit upon presentation of a letter from us.

STATE QUOTA SYSTEM WILL BE APPLIED

The state quota will continue to be applied to this lottery: 78 percent of all licenses will be granted to New Mexico residents. Non-residents who choose to use an outfitter will receive up to 12 percent of the available licenses. Use of an outfitter is optional. Non-residents who apply to hunt without an outfitter will receive up to 10 percent of the available licenses.

INCREASE YOUR CHANCES

Your purchase of a lottery chance will enter you into a computerized drawing. You may purchase up to 20 chances per hunt code and enter as many hunt codes as you'd like. Funds raised by this lottery help support the Valles Caldera National Preserve and all its activities and programs.
